Medical Carts
Labor & Delivery Furniture

convergent[®] | innovative
medical

We Take **Point-of-Care Systems** to a Whole New Level.

At Convergent-Innovative Medical, our mission and number one objective is to **be our customer's best service provider.**

For nearly 40 years, we've specialized in providing purposefully designed, best-in-class solutions at the point-of-care: **Computing Workstations, Medication Carts, Labor & Delivery Furniture, Telehealth, and Custom Solutions.** We provide industry-leading options by properly assessing, recommending, and servicing the right solutions for each area of the hospital.

All while offering **professional installation, integration, remote support, and preventative maintenance** programs to extend the life of your investment.

When providing Medical and/or Commercial Grade products, we recommend customer solutions that are **customized to their specific needs.** Our goal is to provide a solution that offers the best products from multiple manufacturers to build a systems solution.

Avalo® Medical Carts:

Advanced storage & organization

convergent® | innovative
medical

Improved aesthetics. Will not dent or corrode. Designed for **enhanced infection control** with features to improve workflow in any unit. Built for the 24/7/365 demands of healthcare while staying competitively priced.

Features & Benefits

✓ Patented Locking System

- **Only lock the drawer(s) that need to be locked.** Wide range of combinations e.g. top-only, bottom-only, etc.
- **Reconfigure which drawers “lock”** if workflow changes with simple tools staff can change in minimal time.
- **SecureCatch™** secures drawer within 1” of fully closed.

✓ Drawers to Fit Your Workspace

- **Open fully** to access contents in the rear of the drawer.
- **Stay closed** when the cart is in motion.
- **Configurations** of 3”, 6”, or 9” in any combination and sequence needed.
- **Integrated, flexible divider system** to best suit your workflow.

✓ Unsurpassed Durability & Engineering

- **Welded tubular steel base & jig-assembled frame** so drawers don’t bind for the life of the cart.
- **Precision casters** keep it rolling smoothly, quietly. Lock tabs are easy to lock and unlock.
- **Color-thru HDPE body panels** lifelong “new” looking cart without touch up is needed like metal carts.
- **10-Year Mechanical Warranty** to back it up with confidence.

✓ Stability & Infection Control

- **Proprietary ‘pyramid’ shape** positions the casters at corners for greatest stability over thresholds and transition strips.
- **Easy access to caster tabs** for lock and/or steering control.
- **No external bumpers** improve infection control and aesthetics.
- **Infection control** through easy-to-wipe HDPE body panels and seamless drawer design.

Labor & Delivery Furniture:

Clinician and patient focused carts to support workflow, technology and aesthetics.

convergent | innovative
medical

Convergent Innovative Medical is experienced in designing carts that perform reliably against the demands of the 24/7/365 healthcare ecosystem.
