

# EMR Computer Wall Arm Solutions: Mounting solutions for every need

convergent<sup>®</sup> | innovative  
medical

**Compact. Customizable. Reliable.** Easy to use mounting solutions for Single or Dual Monitors. Monitors can be used with or without extensions. Choose from articulating arms, folding or compact styles, ideal for small spaces or limited wall space.

✓ **Easy Adjustment**

The Combo IT workstation offers complete sit-to-stand height adjustment with independent monitor height adjustment, swivel, and tilt.

✓ **Worksurface**

The optional worksurface gives clinicians a place to set items when caring for the patient.

✓ **LED Nightlight**

✓ **Optional:**

Embedded RFID reader for SSO.

✓ **Dry Erase Writing Surface**

✓ **Easy Handling**

Easy to use front handle gives the entire keyboard tray and worksurface one hand fold up for easy, compact storage.

**Cleanability and  
Infection Control Design**
