

HiCare E Lite Carts:

A great cart at a great price

convergent[®] | innovative
medical

The E Lite cart is a new **lower cost addition** to the Howard Care cart family, with a simplified set of features that makes it more cost effective. The E Lite includes a lockable work surface and less complicated wiring requirements, resulting in a cleaner look, increased reliability, durability, and cleanability- and like other Howard Care carts, the **E Lite cart is simply a pleasure to use.**

Features & Benefits
