## Features & Benefits

### ✓ Patented Locking System

- **Only lock the drawer(s) that need to be locked.** Wide range of combinations e.g. top-only, bottom-only, etc.
- **Reconfigure which drawers “lock”** if workflow changes with simple tools staff can change in minimal time.
- **SecureCatch™** secures drawer within 1” of fully closed.

### ✓ Drawers to Fit Your Workspace

- **Open fully** to access contents in the rear of the drawer.
- **Stay closed** when the cart is in motion.
- **Configurations** of 3”, 6”, or 9” in any combination and sequence needed.
- **Integrated, flexible divider system** to best suit your workflow.

### ✓ Unsurpassed Durability & Engineering

- **Welded tubular steel base & jig-assembled frame** so drawers don't bind for the life of the cart.
- **Precision casters** keep it rolling smoothly, quietly. Lock tabs are easy to lock and unlock.
- **Color-thru HDPE body panels** lifelong “new” looking cart without touch up is needed like metal carts.
- **10-Year Mechanical Warranty** to back it up with confidence.

### ✓ Stability & Infection Control

- **Proprietary ‘pyramid’ shape** positions the casters at corners for greatest stability over thresholds and transition strips.
- **Easy access to caster tabs** for lock and/or steering control.
- **No external bumpers** improve infection control and aesthetics.
- **Infection control** through easy-to-wipe HDPE body panels and seamless drawer design.
