

Hemorrhage Carts

Save lives by having hemorrhage supplies readily available

convergent[®] | innovative
medical

Convergent Innovative Medical has been working hand in hand with hospitals all across the US to modify the Hemorrhage cart to **fit their workflow and specific needs**. Additionally, we help design carts that align with **Joint Commission** (JCAHO) regulations. Call us today to talk about your workflow and how a hemorrhage cart may help save lives in your Labor & Delivery department.

Features & Benefits
