Overbed Tables

For Patient Comfort & Convenience

Convergent-Innovative Medical supports manufactures who offer the best products built for the 24/7/365 demands of healthcare and designed with the hospital patient and clinician in mind. Overbed table columns are tested for **strength, stability, and ease of height adjustability**; dual casters on a super low-profile base provide smooth quiet motion and nearly effortless mobility.

Features & Benefits

- ✓ **Durability:** MedViron's KYDEX Thermofilm is **4x thicker** than standard thermofoil, offering superior strength and durability
- ✓ Standard **spill guard** containment area can retain up to 40 oz. of liquid
- ✓ **Height adjustable** from 33.5-45.5" with 100 lbs weight capacity
- ✓ **Limited Lifetime Warranty** & 5-year warranty on gas spring

Available Options

- ✓ **32, 39, or 46" worksurfaces**
- ✓ **Shelves and drawers**
- ✓ **Drop leaf, tablet holder, vanity mirror, and cup holder** options for patient use
- ✓ Available in **low profile** and **ultra-low profile** to fit under 5th wheel beds and other low furnishings
